Size: 10" x 12"

Cost: \$1.99 each

Minimum order: Package of 50

Hint: Be sure to verify the size of the prints. Schools have ordered smaller size prints and found that they were too small to be effective in the classroom. Laminating the print is also recommended as a way to allow little fingers to touch art without damaging the print.

Refer to the "Index by Artist" found in the *Meet the Masters* program materials for a listing of the 101 art prints used in the standard K-5 (incl. Pre-first program).

Call the Volunteer Services Department if we may be of further assistance. Best of luck in bringing the dynamic *Meet the Masters* program to students.
