

Meet the Masters Portfolio Print Listing for Rotating Schools

Each Meet the Masters presentation portfolio is assigned a letter and number (A-3, F-2, G-1). The letter indicates the art prints included in the presentation portfolio; the number is only for internal inventory purposes and should be disregarded by the school. The portfolio will hold at least two art prints for each grade level, Kindergarten - fifth grade.

Please remember that schools are provided with a rotation schedule each year. **The rotation schedule is not in alphabetical order. An example of one school's annual rotation schedule is: C-2, G-2, A-2, E-2, D-2. Ask the Meet the Masters coordinator for your school's rotation schedule.**
